The Raven

Starring John Cusack as Edgar Allan Poe.

When a madman begins committing horrific murders inspired by Edgar Allan Poe's works, a young Baltimore detective joins forces with Poe to stop him from making his stories a reality.

OUT ON DVD NOW

The Woman in Black

Starring Daniel Radcliffe (of "Harry Potter" fame)

A young lawyer travels to a remote English village where he discovers the vengeful ghost of a scorned woman is terrorizing the locals.

"THE SHINING" SEQUEL COMING IN 2013

More than three decades after "The Shining" was first published in 1977, the sequel to Stephen King's classic horror novel will be out in time for Halloween season next year. "Doctor Sleep" is due for publication on September 24, 2013.

In the sequel, Dan Torrance, no longer a boy but a middle-aged man, is still haunted by his father's legacy and the horrific childhood year he spent at the Overlook Hotel. He uses his gift, the shining, to comfort the dying in a New Hampshire town but his life is upset when he meets a 12-year-old girl who also has the shining and whom he must save from a tribe of murderous paranormals.
